

**WILCOX OIL COMPANY SUPERFUND SITE TRIBAL MEETING:** On August 26, 2015, EPA and ODEQ met with the Muscogee (Creek) Nation, Sac and Fox Nation, and Cherokee Nation. The purpose of the meeting was to begin discussions related to any potential natural and historical resources and better understand concerns related to potential health risks and exposures. In addition, a brief site update related to current and future activities was presented. Meyer, x6742.
